

As you are aware, the shop is now closed during this crisis.

In the meantime, please check out my website at [walkerworks.ca](http://walkerworks.ca) or follow me on Instagram, Twitter or Facebook as I upload past framing jobs to my online portfolio while I am hunkered down with my family at home.

Much thanks for your past & future support of all of the small businesses in this great community. If you are able to do so, please consider purchasing online gift cards to help your local merchants get through this uncertain time.

I look forward to helping you with all of your Custom Framing needs as soon as we are all through this.

Please be safe, be kind and be well.

Amy

As you are aware, the shop is now closed during this crisis.

For your viewing pleasure, please check back in regularly or follow me on Instagram, Twitter or Facebook as I upload my backlog of awesome framing jobs to my online portfolio!

I look forward to helping you with all of your Custom Framing needs as soon as we are all through this.

Please be safe, be kind and be well.

Amy
